

2nd Presbyterian Weekday School

PARENT VOLUNTEER SHEET

Again this year we would like to organize a parent volunteer group within our program. From time to time, we need volunteer assistants to help us in the enrichment of our early childhood education program. Please check all of the volunteer activities in which you are interested. Please read both sides! (Please take the INITIATIVE and talk directly with classroom teachers.)

So you want to get involved but aren't available during school hours... NO PROBLEM!

We have volunteer opportunities that can be done day or evening, weekday or weekend, on-site or from your home or office!
