CLASSROOM PET RELEASE

In our classrooms and atrium we value the opportunity for children to experience the care giving of a classroom pet, with the responsibilities and chores that are a given with the science and nature of animals. Classroom pets may include gerbils, guinea pigs, hamsters, goldfish and aquarium creatures, turtles, birds, rabbits, caterpillars, and butterflies. Educational organizations such as Second Chances Wildlife Rescue, the Louisville Zoo, Silly Safari, and Crocodile Creek may, from time to time, bring other animals such as hedgehogs, snakes and ferrets in cages.

I hereby give my permission for my child to be in the presence of the school's pets and educational programs with animals.
